

## ALL DAY 10AM – 4PM

### Rayner Hoff Project Space

**Course Enquiry Desk:** Meet the student services team and ask any questions you might have about NAS courses, admission, scholarships, and student life on campus.

**One on One Advice Sessions:** Meet with a member of our faculty and find out more about studying at NAS and our admissions process including advice on preparing your portfolio.

Lining the walls is an exhibition of first and second year Drawing students.

### NAS Café

**Food:** Kick back and take in the historic charm of the grounds.

### NAS Gallery

**Exhibition:** Check out *Zahalkaworld – an artist's archive*, an exhibition celebrating one of the School's most esteemed and exceptional alumnae. Open from 16 August – 19 October 2024, Mon-Sat, 11am-5pm.

### The Drawing Gallery

**Exhibition:** Visit the Drawing Gallery and check out the latest exhibition showcasing the work of Master of Fine Art students.

### Across Campus

**Open Studios:** Go behind the scenes and see our students at work in their studios.

### Library

**National Art School Library:** The NAS Library supports our unique curriculum with a carefully curated, highly specialised collection. NAS Library staff are all subject specialists and super friendly. Come in and say hi on Open Day.

**Library Stairwell Gallery:** Visit the Library Stairwell Gallery's latest exhibition showcasing the work of 3rd year BFA Painting students. You'll get the opportunity to discuss both the work and the LSG experience with the exhibiting students.

### Workshop Building 11

**NAS Workshop:** Drop into the workshop, a hive of activity for students working across artistic disciplines. Check out the tools and equipment and find out about support for students.

### Archive and Collection Building 11/First Floor

**Historic Collection:** The NAS Archive and Collection contains rare artworks from alumni and artefacts from the site's 200-year history. Exciting new acquisitions will be on display on Open Day.

### Print Lab

#### Building 11/Second Floor

**NAS Print Lab:** Our professional large format printing service, providing both general purpose and fine art printing for all NAS students.

### Chapel ground floor

**Hands-on Life Drawing:** Draw from a life model in the chapel, one of the School's most beautiful historic buildings, and our new dedicated drawing studio.

### Building 24

#### Fast Clay; Slow Clay:

Watch lecturers and current students creating innovative work on the wheel, including a large collaborative sculpture. Participate in hand-forming your own small clay artworks with NAS artist-educators.

### Building 1 and 2

**Photomedia:** Explore the photomedia studios and see students in action in the editing suite and lighting studio. There will also be a projected showreel featuring works by our current students.
